STUDENT HEALTH CENTER POLICY REQUIRES:

- **T-Spot or Quantiferon Gold Blood testing is required. TB skin testing will not be accepted as tuberculosis screening.**
- Tuberculosis blood testing and chest x-rays (if required) must be done within 12 months prior to the start of the semester the student is choosing to enroll.
- Students with a prior BCG immunization still require tuberculosis testing.
- Students with positive TB blood test results will be evaluated at the Student Health Center or local health department.

Detailed information about screening and treatment for tuberculosis can be found at the following website: cdc.gov/tb

If you are a Texas A&M College Station student, you may be eligible to receive services at the A.P. Beutel Health Center. If you have questions, please visit uhs.tamu.edu or email uhspatientservices@tamu.edu.

Please check which campus you are attending:

☐ College Station – Main Texas A&M University campus ☐ Remote Texas A&M University campus

TUBERCULOSIS TESTING DOCUMENTATION

Student Name: _____ UIN: _____ Date of Birth: ____/____/____
MM DD YYYY

T-Spot or Quantiferon Gold Test Result: _____ Date of Result: ____/____/____
MM DD YYYY

Physician Signature Date of Signature Office Telephone Number

Address of Clinic or Office City State or Country Zip or Country Code

A Copy or Original lab test result document is required. Texas A&M University – University Health Services reserves the right to not accept documentation that appears to be duplicated, false, or altered.
