Tuberculosis Screening

Tuberculosis (TB) screening is required for incoming international students that were born in, resided in, or traveled to for more than 3 months one of the countries listed below.

As of Fall 2013, T-Spot or QuantiFERON Gold testing is required. TB Skin testing will no longer be accepted as a Tuberculosis screen.

### STUDENT HEALTH CENTER POLICY REQUIRES:
- T-Spot or QuantiFERON Gold Blood testing is required.
- Tuberculosis testing must be done within 12 months of enrollment.
- Students with a prior BCG immunization still require tuberculosis testing.
- Students with positive TB test results will be evaluated at the Student Health Center.
- Chest x-rays MUST have been done in the UNITED STATES and within the last 12 months prior to enrollment.

### TB SCREENING SHOULD BE CONSIDERED IF:
- Persons who have been close contacts of a person with infectious TB
- Persons with signs or symptoms of active TB
- Persons with HIV infection
- Persons who inject drugs
- Persons who have resided in, have been employed by, or volunteered in the following high-risk congregate settings: prisons and jails, nursing homes and other long-term facilities for the elderly, hospitals and other health care facilities, residential facilities for patients with acquired immunodeficiency syndrome (AIDS), and homeless shelters
- Persons with the following clinical conditions that place them at high risk: silicosis, diabetes mellitus, chronic renal failure, some hematologic disorders (e.g. leukemias and lymphomas), other specific malignancies (e.g. carcinoma of the head or neck and lung), low body weight (10% or more below the ideal), gastrectomy and jejunoileal bypass, prolonged corticosteroid therapy (e.g. prednisone 15 mg/d for 1 month), other immunosuppressive therapy, pulmonary fibrotic lesions seen on chest radiographs (presumed to be from prior, untreated TB)

Detailed information about screening and treatment for tuberculosis can be found at the following website: [http://www.cdc.gov/tb/](http://www.cdc.gov/tb/)

ALL RECOMMENDED VACCINES AND SCREENINGS ARE AVAILABLE AT STUDENT HEALTH SERVICES
